

RENT YOUR CRYOGENIC VESSEL

CRYO RENTALS recognise the needs of the current market and has been set up to allow the user to rent, rather than purchase a wide range of cryogenic storage vessels available here in the UK.

RENT OR BUY?

Long or short term rentals available, no depreciation on purchased hardware, routine maintenance and labour charges are included in the base rental price, therefore no unexpected charges.

WORRY FREE

No need to worry about the Written Scheme of Examination and the Systems Safety Regulations.

CRYO RENTALS look after the annual certification for you.
